“Your future in partnership”

Dental Partners are seeking high calibre dental and specialist practices to partner with throughout Australia.

The benefits to you include:

- » Releasing 100% of the equity in your practice today.
- » Continued clinical and managerial autonomy.
- » Stability of belonging to a publicly listed multi-disciplinary healthcare group.
- » Exceptional ongoing financial incentives.
- » Access to continuing education and business development.
- » Succession planning.
- » Work / life fulfillment.
- » Being part of a socially responsible group with high integrity.

“Your future with Dental Partners”
